PIANO

creating lifelong musicians

School Pricing

DIAMOND PIANO METHOD CURRICULUM

Each Diamond Piano Method book has lesson materials, theory work-sheets, performance songs and technique exercises all in one book! Songs are written in a pop-music style and lyrics are written to support the theory concepts presented in each lesson. Keeping students interested is key to creating lifelong musicians!

DOWNLOAD AND PRINT:

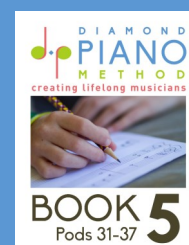

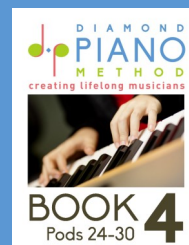

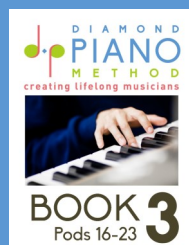

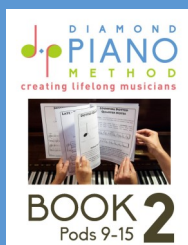

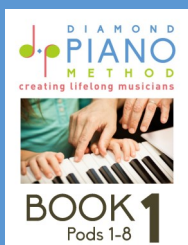

As a school, text materials are available **FREE** of charge when you choose to download the PDF of each book and print the text yourself. Every page will be personalized with the name of your school.

SPIRAL-BOUND BOOKS:

Sturdy, spiral-bound books with clear plastic covers are available for purchase. Every page will be personalized with your school's name.

1 – 50 copies - **\$19.99 each** plus shipping & handling

51 or more - **\$15.99 each** plus shipping & handling

Users 51 – 100 - **\$3.99** each per month

Users 101- 250 - **\$3.49** each per month

All users over 250 - **\$2.99** each per month

GETTING STARTED:

'Request School Account' on the DiamondPiano.com home page – fill in the information requested and **Diamond Piano** will contact you to help get you started ordering materials and building your Diamond Piano School Account.

Regular invoicing – This option will allow your school to be invoiced monthly based on the number of active DPM Portal student-users in your school account during the preceding month.

Custom invoicing – Choosing this option allows you to pay for your access to Diamond Piano on a schedule different from the standard monthly invoicing. Approval is required by a Diamond Piano sales representative for this option.
