### DIAMOND PIANO METHOD CURRICULUM

**Diamond Piano** is the most comprehensive beginner-intermediate piano curriculum and integrated online practice support system available today. Created and tested during two decades of full-time piano instruction, the **Diamond Piano Method** curriculum is designed to develop a student's ability to read and perform written music with technical skill and good musicianship while also providing a student with the tools to create original improvisations at the keyboard. The five books of the **Diamond Piano Method** utilize a unique series of solfege transpositions to introduce the fundamentals of music theory in a 'hands-on' way, and an entertaining progression of repertoire that was composed and arranged specifically to reinforce theory concepts.

#### DOWNLOAD AND PRINT:

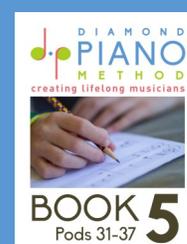

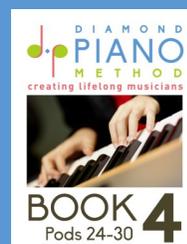

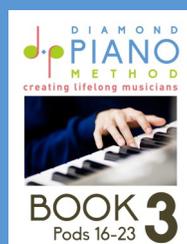

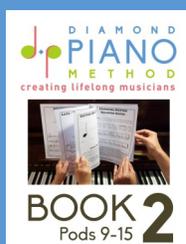

Each Diamond Piano Method book contains lesson materials, theory worksheets, performance songs and technique exercise—all in one book! Each page is personalized with the student's name.

\$9.99 per pdf version of the book

#### SPIRAL-BOUND BOOKS:
